

Internet Pharmacy Waiver

Date: _____

I, _____, understand that I am requesting a prescription medication to be filled through an internet pharmacy which is not regulated by the FDA. Internet companies do not obtain these drugs and medications from the manufacturer of the product, but instead by circuitous routes often through third world countries. Companion Pet Clinic of Forest Grove cannot assure the quality of the product nor accepts responsibility for adverse medication reactions. In order to keep our costs as low as possible for all our clients a \$10.00 Dispensing fee will be assessed on all prescriptions filled through Internet pharmacies.
